CFB6420V Chest freezer

- Dual function - use as fridge or freezer
- 420 litre capacity
- LED light
- Child lock
- Energy efficiency class E

Convenient chest freezer for every home

This generous chest freezer is equipped to make your everyday life easier. Enjoy the large capacity and practical storage space to preserve your favourite food.

Dual function - fridge or freezer

The chest freezer offers versatility, with its dual function it can be used as both a freezer or a fridge. You can easily adjust the temperature from -24 to +8 degrees using the digital control panel. If you are looking for a fast way to freeze your food, easily activate the Super Freeze function.

Large storage capacity

This spacious 420-litre chest freezer is the perfect addition to expand your household's food storage capacity. It makes room for larger quantities of various kinds of food to be organised for your needs. The removable baskets offer space for your preferred selection of food, making it easier to find what you are looking for or see what you are missing.

Secure storage

Gain peace of mind by easily securing your chest freezer with the provided keys, safeguarding any curious children or pets from climbing into the chest freezer. Do not worry about finding your food, you can rely on the efficient LED light inside to show you what you need.
